

## TRIP TO PRAGUE

*Students from class 2. C*

At 7 o'clock in the morning 22<sup>nd</sup> September 2021 our trip to Prague started. We went by bus and it took about three hours. When we arrived, we went to the Old Town Square, then we looked at and inside the Astronomical Clock. The view from the Old Town Hall was breathtaking. After that we crossed the Charles Bridge and we took a look at it. The Rotund of the Finding of the Holy Cross was beautiful as well. We spent some time in front of Bethlehem Chapel, where Jan Hus was preaching. The whole sightseeing trip was guided by Mr. Ivan Bauer. We learnt from him many interesting facts about nice places in Prague. We all are very grateful that we could take a part in this trip.
